Visit Reflection: “From the start Lynn engaged the whole school. It was amazing to watch her present to kindergarten through the 5th grade. When she had a small group act out her book "Pigs in the Mud in the Middle of the Rud", it was amusing to watch the tiniest kindergartner play the dad and older kids playing the animals. Mr. Lajoie, our principal, was the grandmother. The audience had a role too (reciting the repeated lines). Lynn is such a fabulous presenter the whole school loved hearing the story whether it was their first time or one of many times.”
